

ARM | Adjustable Rate Mortgage

We offer an extensive suite of loan products to help meet your needs. Our ARM products can help you save money on introductory interest rate and lower your initial monthly mortgage payment.

Benefits

- Lower initial rate than a fixed mortgage
- Lower initial monthly payments vs. a fixed rate mortgage
- Interest rate caps place a limit on how much adjustment period to the next the interest rate can adjust from one

This information is not intended to be an indication of loan qualification, loan approval or commitment to lend. Loans are subject to credit and property approval. Other limitations apply. Rates, terms, and availability of programs are subject to change without notice.

How ARMs Work

7/6

The number of years that the introductory / initial rate is offered

How often the rate will adjust after the introductory rate period in months

How ARMs Adjust

Index Rate UP > Interest Rate UP > Payments UP

Index Rate DOWN > Payment DOWN
