

Ease into and step down on your mortgage.

Lender Paid 2/1 Buydown Program

Our 2/1 buydown program can help make homeownership more affordable by lowering your monthly payments for the first two years.

Here's how it works:

Lower Payments at the Start

Your initial interest rate is 2% lower in Year One.

Still a Reduced Rate in Year Two

Your interest rate is 1% lower in Year Two.

Returns to Full Rate in Year Three

Your interest rate adjusts to the permanent rate in Year Three.

Great for Homebuyers

A smart option to make homeownership more attainable today.

Take the first step toward lower mortgage payments!
